Collaborative for Educational Services · Early Childhood Programs

The *Puzzle of Parenting* workshop series is designed for parents, grandparents and guardians of children from birth to kindergarten age. Local parents helped us select the topics. Most workshops are offered at multiple locations so families can choose the most convenient site and date. Come to as many workshops as you wish, in any community—and plan to bring a friend!

There is no charge for the workshops and free childcare will be available with pre-registration at most locations, as noted*. Even if your family will not need child care, we encourage pre-registration because it helps us to plan.

Questions? Contact Carolyn Mazel at CES: cmazel@collaborative.org; 413.586.4998 x102 or 800.519.1882 x102.

Workshops are funded by a Coordinated Family and Community Engagement grant from the Massachusetts Department of Early Education and Care, administered by the Collaborative for Educational Services.

Workshop Reservations: 413.570.3061
